"I am a Special Education Teacher with Education Queensland.

The nature of my job is a teacher of children with Intellectual Impairments and Autism. I make adjustments in my classroom so my students with special needs can have access to the Australian Curriculum and a quality education."

"Gaining permamcy with Education Queensland as a Special Education Teacher."

"If you're passionate about the cause, it won't feel like work."

"Camps! Year 9 camp, 3 weeks at Tinaroo & Year 10 on the sailing boat *One and All*. Those camps definitely taught me to step out of my comfort zone and try new things."

Hang in there! Try not to let the pressure get to you.

I'm on my third career...commerce, followed by flight attending and now teaching. Don't fret if you haven't got it all figured out in high school!
